

**Mitch Terpening**  
**DPW Report**  
**JAN.11 , 2017**

- 1) Talked to Consumers about changing the street lights. They said it would be about a \$40,000 investment paid up front, to change to LED.
- 2) Entrance door was ordered, and should be here, by the end of the week. Will be installing the door the following week.
- 3) Training classes: Operators expo, Feb 7-8, 2017 . Cost is \$210
- 4) Did a water shut off, on the vacant house corner of main & Maple, Due to water line break.
- 5) Need a list of vacant houses, that still have water turned on.
- 6) Removed Christmas lights. Changing the lights to LED, is going to cost over \$500.
- 7) Plow and remove snow.
