

Bancroft DPW Report

March 7, 2023

- Well the snow went away as fast as it came around 8 inch.
- Entering all the daily testing at the water plant.
- I am able to complete more than $\frac{3}{4}$ of the monthly MOR that gets reported to EGLE once a month. I have only done it twice. I almost have it down pat.
- Both wells last week had a proficiency test done by Northern Pump and Well. This went well.
- Keeping up cleaning DPW garage and trucks.
- They say the ice storm we had was one of the largest in 50 years and we made it through it!!
- Maybe some of you have heard I put in my two weeks' notice. Council members I did my best.
- Thank you for this awesome opportunity.

Mike Esson
